Texas Association of Realtors endorses Dan Flynn
Texas' largest association pledges its support

January 28, 2010 – AUSTIN – The Texas Association of Realtors today announced its decision to endorse Dan Flynn for re-election to the Texas House of Representatives to represent District 2. Making the statement last week, Chairman Bill Jones applauded Flynn's unyielding commitment to Texas homeowners.

"The next legislative session will be filled with difficult decisions," said Jones. "That's why we need lawmakers like Representative Flynn who understand the critical role homeowners play in keeping our state prosperous, which is why we've pledged our full support."

Currently, Texas ranks 45th out of 50 states in homeownership. Electing lawmakers who understand homeowners' concerns and act accordingly to bolster homeownership in Texas is the association's top priority this election season. As a member of the Texas House for more than seven years, Flynn has been involved in the political process at all levels, promoting policies and supporting initiatives in the best interests of property rights and homeownership throughout the state.

"I am honored to have the endorsement of the Texas Association of Realtors," Flynn said. "As small business owners, Texas Realtors make the dream of homeownership more affordable for all Texans and I will strive to help support this important goal."

As the largest trade association in the state, the Texas Association of Realtors expects to be a considerable grassroots force for Flynn.

Texas Realtors have championed a number of legislative issues enhancing the lives of Texans, such as pursuing reforms to the property appraisal system in 2009, preventing a tax of \$600 or more on the personal vehicles of independent Texans in 2007 and advocating for billions in property tax reductions in 2005.
